USE AGREEMENT FOR OFFSITE SAMPLING - MG-022-92

Dear Brian and Teresa:

As we discussed on the phone, I am requesting a Use Agreement on behalf of EG&G Rocky Flats Environmental Management to support the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), RCRA Facility Investigation/Remedial Investigation (RFI/RI) for Operable Unit No. 3 (OU 3). OU 3 is the designation that we use to include all land offsite of the Rocky Flats Plant. This letter contains a request for access with enclosures that describes the sampling activities, a map showing approximate property boundary, and a Use Agreement for signature.

Please review the enclosed Use Agreement. Modifications to this agreement can be made to address specific concerns. I am targeting April 15, 1992 to begin field sampling activities. Please sign and return both duplicate originals to me. Following signatures from DOE and EG&G officials, I will return one copy for your files. If you should have further questions, please feel free to call me at 966-4291.

Sincerely,

M. Guillaume, OU 3 Manager
